Best beach band in SoCal

I hired them for my Margaritaville 40th birthday. They played Jimmy Buffet songs, island country and popular sing along songs we sang and danced the night away. They had a 9-piece band and a great sound guy. Professional, fun, sounded great and so easy to work with. I highly recommend for parties or venues 100%!

Jimmy would be honored!!! What a party

We held our 2nd Jimmy Buffett concert and our community of 55 and older just loved it ! Many said “BEST CONCERT YET “ They played for over 2 hours and had our guest dancing for almost the entire time, conga lines and beach balls flying! If you want a party concert this is your band !!!
